Butterfly Experiences

Folk's Butterfly Farm offers a unique experience with butterflies. Tours, Presentations and Releases are available for your special occasion.

Wedding or Anniversary Release

Make your special day extraordinary with a Monarch Butterfly Release. These beautiful and majestic

creatures accent almost any setting. From an indoor basket or show case to a grand outdoor release.

Funeral or Memorial Release

Remember your loved ones with a release of butterflies. Butterflies make no sound, so whisper your prayers to the butterfly and release it.

It is said the butterfly will carry your prayer to the Great Spirit.

Birthday Release

Celebrate the birth of a child, a 100th birthday or any time in between with a release of butterflies.

Farm Tours

Come and experience the life cycle of the butterfly, the tickle of a caterpillar, the magic of wings and feeding the butterflies in our Flight House. Enjoy and learn with an interactive entertaining presentation about the anatomy of a butterfly. By appointment only. Contact us for availability and pricing.

Presentations

Let us bring the Wonder of the Butterflies to your next meeting or gathering. We offer a fun filled and informative program adaptable to all ages. Learn about butterfly anatomy, life cycle, habitat and much more. Presentations for Scout Groups, Garden Clubs, Church Groups, Civic Organizations, or any gathering looking for entertainment. Livestock included in season.

Mobile Exhibits

Can't make it to the farm? Want to Feed the Butterflies? Let us bring the Flight house to your event or location. Learning and fun of butterflies in a mobile exhibit. We offer several different packages that are customizable to your needs.
